Life Science Journal

Acta Zhengzhou University Oversea Version
(*Life Sci J*)

Life Science Journal, the Acta Zhengzhou University Oversea Version, is an international journal with the purpose to enhance our natural and scientific knowledge dissemination in the world under the free opinion/idea publishing principle. The journal is calling for papers from all the world. All the valuable papers or reports that are related to life sciences - in their broadest sense - are welcome. Other academic articles that are only certain relevant but are of high quality will also be considered and published. Papers submitted could be reviews, objective descriptions, research reports, opinions/debates, news, letters, and other types of writings. All submitted manuscripts will be sent for external peer review and processed the editorial work. After the peer review, the journal will make the best efforts to publish the accepted valuable articles as soon as possible. Let's work together to disseminate our research results and our opinions/ideas.
